# HAVE YOU EVER MADE A STAMP?

*in your  
life*

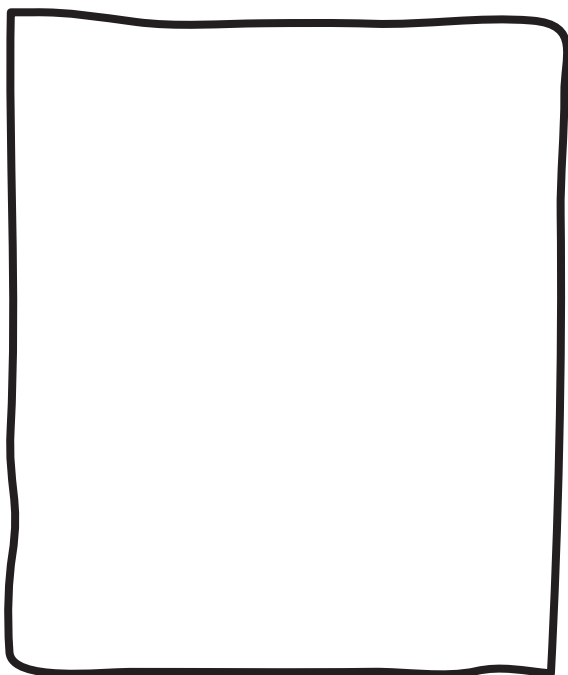

WITH POTATOES

OR MAYBE  
WITH COOK

when  
you were  
a child

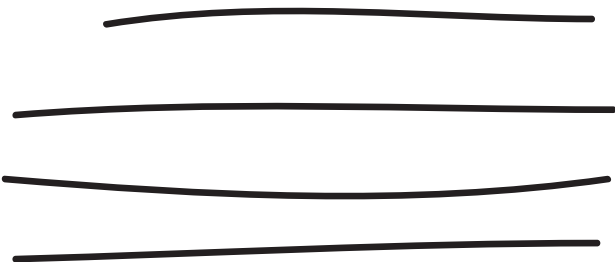

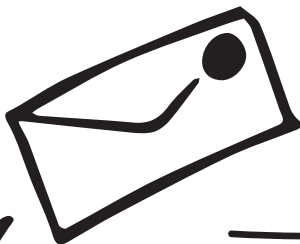

anything  
else?

any  
ideas?

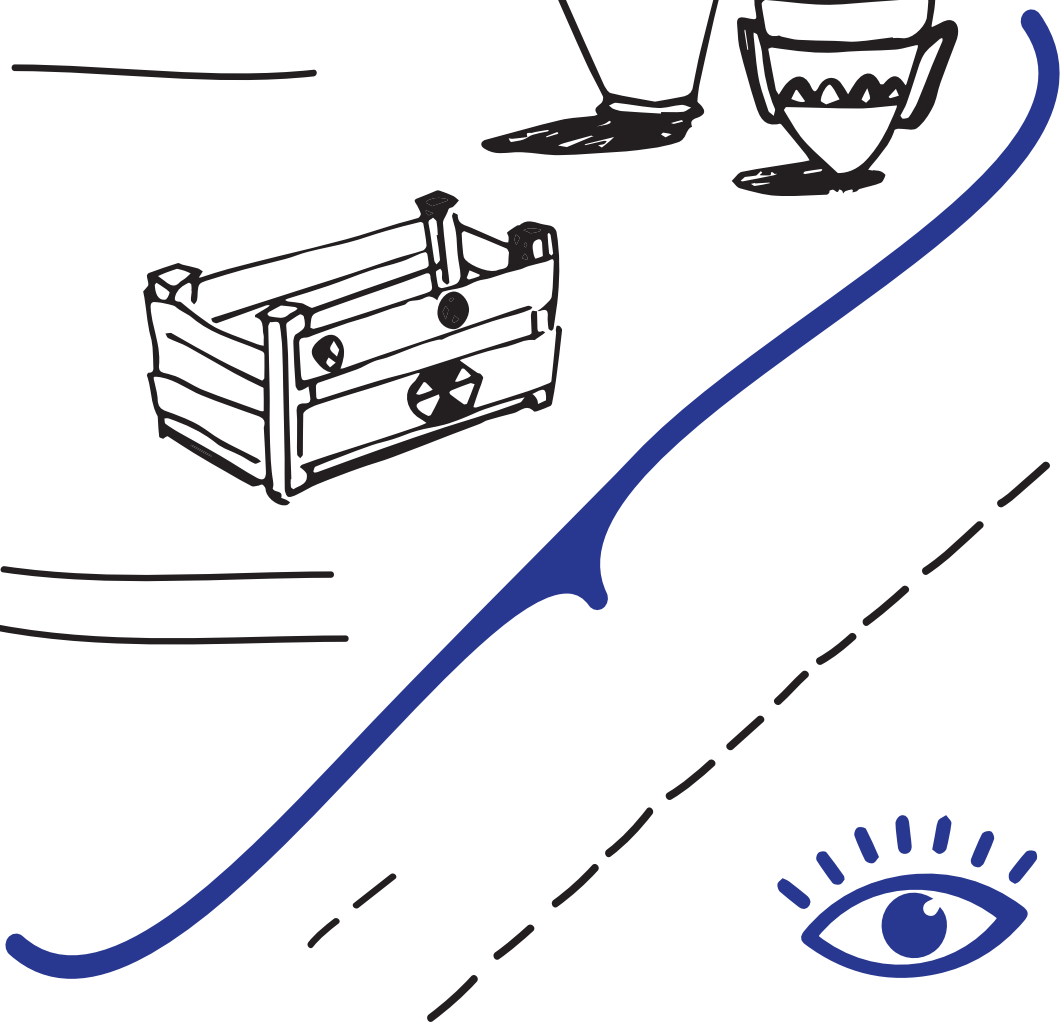

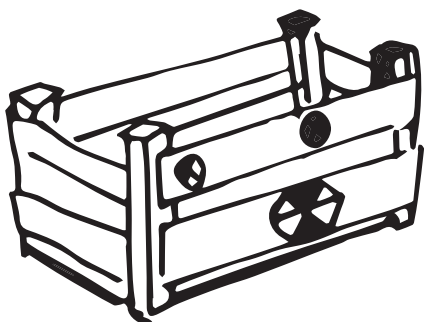

# WHY?

DID YOU USE IT?

people  
use  
it  
for?

WHAT WOULD YOU LIKE TO  
COMMUNICATE

!?

USING  
A

**PANTOGRAPH**

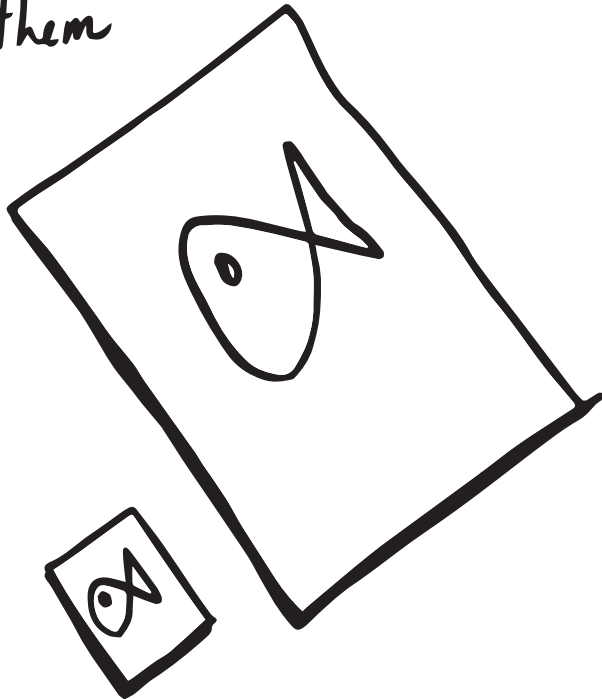

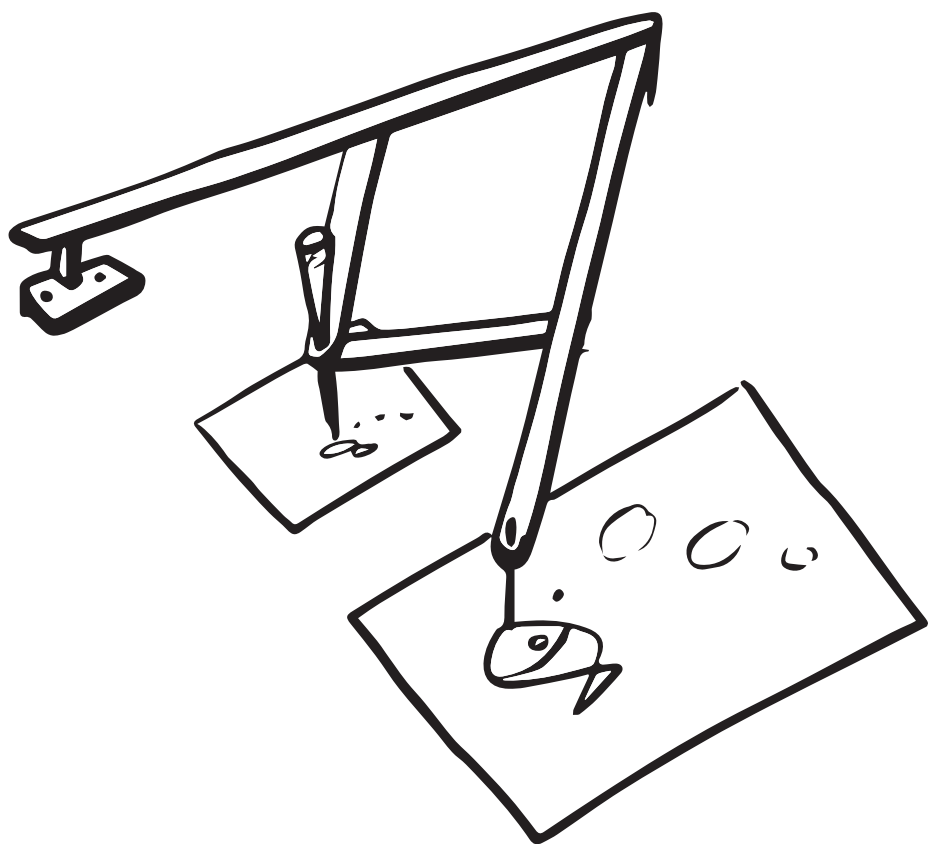

# WHAT IS A PANTOGRAPH?

It's a handy instrument  
for copying drawings,

**ENLARGING** or  
REDUCING them

LET'S USE IT TO DESIGN

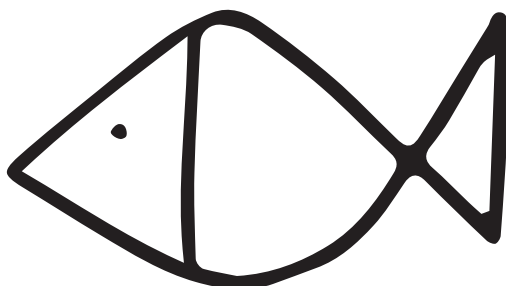

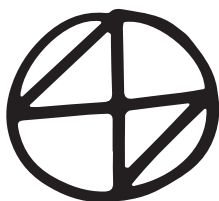

YOUR

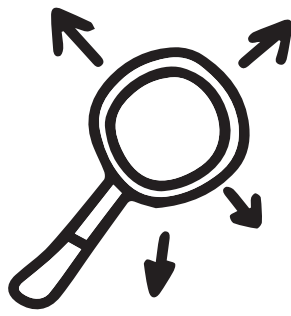

STAMP

STEP 1

TRY!

WITH A SIMPLE  
SHAPE

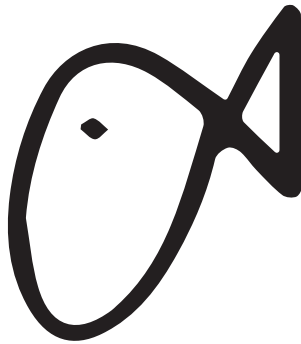

STEP 2

OBSERVE:

WHAT HAPPENED?

BIGGER?

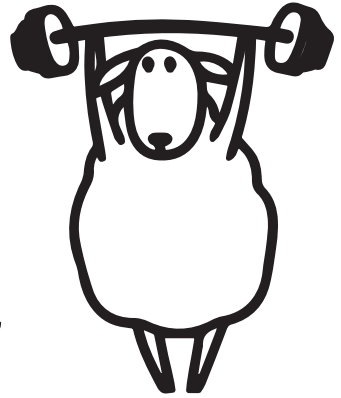

SMALLER?

# STEP 3 TRAIN HARD!

## EXERCISE

exercise with the  
small pantograph

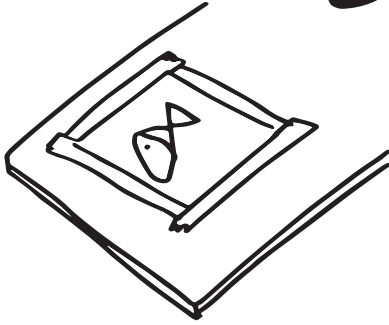

- 1 Draw something simple, you like on a sheet of paper
- 2 Fix it on the table with some tape in the identified working area
- 3 Follow the line of your drawing with the cursor

## STEP 4

READY FOR THE  
**BIG ONE?**

- 1 Fix your drawing on the table with some tape in the working area
- 2 Follow the line of your drawing with the cursor **VERY SLOWLY**

⚠ BE CAREFUL  
To operate the drill  
you must hold the  
switch on the cursor,  
to turn off, release it

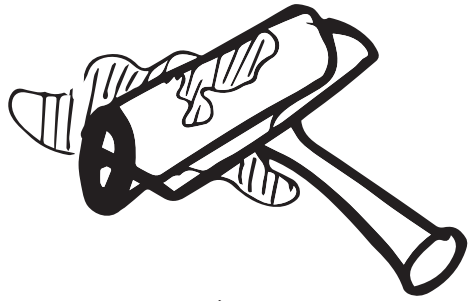

## STEP 5

# PAINT AND PRINT!!!

how many  
time you want!!

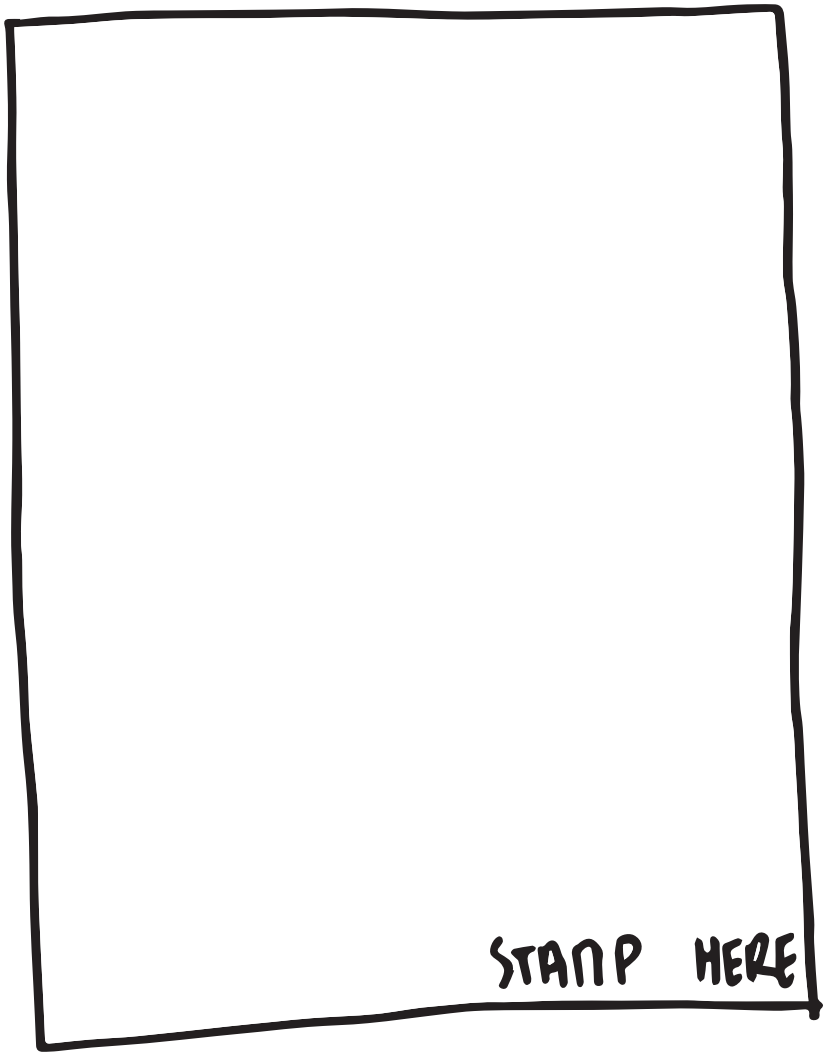

1 Ink your roller

2 Roll the ink on your stamp
